LETTER FROM THE EDITOR

I was most gratified to finally get a response to the "Match Pointer" and what a response! Modestly, my excellent handwriting is exceeded only by my ability to handle those difficult two milers. Although my admiration of the McDuffs is great, it was just a Fruidian slip to write "the good and true" instead of "the Golds and the".

One suggestion I received was to use a person who could see to proof read the Matchpointer. Thinking that this suggestion had merit, I have given it a three month trial. Fortunately for the Unit Bob Brooks recently from Edmonton has volunteered to serve on the board replacing Rowland Divers. Bob has edited the Edmonton unit Publication for a number of years. He has many good ideas and proven experience. I have enjoyed being the editor of the Matchpointer for the last six months, but having run into some time problems, Bob has volunteered to carry on. I am sure the following Matchpointers will be both highly informative and entertaining.

Jim Donaldson
