

**TRANSIT AND PARKING OPTIONS AROUND THE
VANCOUVER BRIDGE CENTRE**
(2776 East Broadway, Vancouver, BC)

Public Transit: Bus Route 9 runs along Broadway and past the VBC. You will want to get off at either the Kaslo Street or Slocan Street stops.

The **Renfrew Street Skytrain Station** is about 3 blocks from the VBC. When leaving the Skytrain, exit on 12th Avenue. Proceed one short block to the West (to Kaslo St.), and then turn right and walk north to Broadway. The VBC is in the strip mall to your left.

If you're driving...

Be careful about parking for the 1:00 game on Friday, Nov. 6th:

- **Don't park on Broadway!** Both sides of this main street are 'No Parking' from 3:00 pm to 6:00 pm (you'll be ticketed and probably towed. E. Broadway is a main throughway).
- **Don't park in the mall parking spaces.** There are five or so places immediately in front of the VBC clearly marked **Vancouver Bridge Centre** but these are reserved for players with disabilities. (The other places are reserved for staff and patrons of other tenants in the strip mall.)
- **Don't park in the Rona Store parking lot** (bottom of Kaslo Street). This lot is clearly marked as being for Rona shoppers only (and not for people who walk into the store and then come to play bridge).
- **Don't park on 10th Avenue**, which connects to Kaslo St. just down from the VBC.

Where can you park?

- The lot behind VBC (access off Kaslo). There are a limited number of places (up to 20) available. Don't park in a space marked as 'Reserved'. If you park in this lot, there is a corner back door access to the VBC building, or you can walk up Kaslo Street towards Broadway and come in the front door. **Do not park behind VBC** for the 7:00 PM game because the lot may be locked up before the game ends.
 - Street parking on Slocan St. south of Broadway down to Grandview Highway.
 - Some street parking on the lower half of the similar part of Kaslo St. (Parking in the first 3 blocks south of Broadway has a time limit - don't park there.)
 - Street parking north of Broadway on Kaslo Street and Slocan Street (these run North-South on either side of the VBC). There are places on both these streets to the *north* of Broadway, for at least three blocks. (*Some parking is restricted to residents. Check posted signs carefully*).
 - More street parking north of Broadway: there is parking on one side of the street on both 8th and 7th Avenues, between Slocan St. and Renfrew Street. **Check posted signs carefully**.
 - Behind the Broadway Church (at the corner of Slocan and Broadway). There may be some parking in the lot, but this should be used as a last resort.
-

There should be no problem parking for the 7:00 game on Friday, Nov. 6th:

- Both sides of all blocks of Broadway can be used after 6:00 pm, and some places in the mall parking lot will also become available. **Avoid places** marked as '**Reserved 24 hours**' (or that have a similar posted message).
 - **Do not park in the lot behind VBC for the 7:00 PM game** because the lot may be locked up before the game ends.
-
